MBS Named Top 500 Diversity Owned Business in the U.S. for the Fourth Consecutive Year

Colorado Springs, Colo., February, 2010

In recognition of the economic power of privately held businesses, DiversityBusiness.com, the nations' leading business-to-business internet site, named Managed Business Solutions (MBS) as one of the top businesses in the United States.

This is the 10th annual listing of the U.S. top businesses by DiversityBusiness.com. MBS was recognized nationally for being a Top 500 Diversity Owned Business; Top 500 Privately-held Businesses and Top 100 Native American Owned Businesses. The companies listed on the Top Business Lists represent the Nation's top multicultural earners and challenge the long-held notion that a privately held business is small or insignificant. Winners are sought after by major corporations wishing to increase spending with small businesses.

On a local level, MBS was acknowledged for Top 50 Diversity Owned Businesses in Colorado and Top 50 Privately-held Businesses in Colorado by DiversityBusiness.com.

This List is a classification that represents the top small businesses in the U.S., in sectors such as technology, manufacturing, food service and professional services. Large organizational buyers throughout the country that do business with multicultural, small and women-owned businesses use the list. The List is produced annually by DiversityBusiness.com, the nation's leading multicultural B2B Internet portal that links large organizational buyers to multicultural product and service suppliers. The winning companies will be honored at a special awards ceremony at DiversityBusiness.com's "10th Annual Multicultural Business Conference", taking place April 27-29, 2010 at Gaylord National Resorts in Washington, DC.

"Making the list for the fourth consecutive year is quite an honor and achievement for MBS", said Jon Duncan General Manager. "Our qualifications speak volumes. I am proud of our company's diversity. I look forward to accepting this award at the 10th Annual Multicultural Business Conference."
