

Managed Business Solutions Awarded Subcontractor for Northrop Grumman Department of Interior Contract

COLORADO SPRINGS, Co., February 9, 2009— Managed Business Solutions (MBS), a leading provider of information technology services, today announced the Department of Interior has awarded Northrop Grumman (NYSE: NOC) as prime and MBS as subcontractor on a contract to support the information technology infrastructure for the BLM (Bureau of Land Management). MBS is one of five subcontractors serving prime contractor Northrop Grumman on the contract.

The contract includes information technology maintenance and support for over 8,000 employees in 200 offices throughout the United States.

The contract value is an estimated \$56 million, based on complete fulfillment of all tasks for the first year and subsequent six one-year extensions.

“Our participation with Northrop Grumman on this opportunity reflects MBS’s growing presence in information technology services, teaming together to provide the most cost-effective and comprehensive solution to our customers,” said Richard Noe, CEO of Managed Business Solutions.
